

## Order your Habitat for Humanity Specialty License Plate Today!

### How much does it cost?

Your initial pre-registration fee of \$35 will cover your specialty license plate fee for the first year after release.

**Where do the funds go?** Funding from plate fees will pay for the cost of production of the plates and will be used to support initiatives for Habitat for Humanity in Tennessee.

**Is there a deadline?** Yes, we must obtain 1000 pre-registrations before June 2011.

### What do I need to do?

Submit your pre-registration form and \$35 for the Habitat for Humanity Specialty license plate. Upon validation, Tennessee will begin printing the new license plates and will distribute to appropriate DMVs in purchaser counties. You will be notified when your new license plate is ready to be picked up.

Help spread awareness of Habitat for Humanity while raising funds for Habitat for Humanity of Tennessee. Habitat for Humanity of Tennessee is a statewide organization whose purpose is to support and promote, through advocacy, education, technical support and fundraising the 51 Habitat for Humanity affiliates in Tennessee who serve 63 counties.
